# RtBrick Documentation

This document describes and provides links to the user documentation available for RtBrick Full Stack (RBFS) and RtBrick Management Suite (RBMS).

RtBrick documentation is organized online as follows:

- [Technical Documents by Type](#)
- [Technical Documents By Release](#)

The documentation is divided into the following major types:

Document Type	Description
Documentation Overview	Provides links to the user documentation available for RBFS and RBMS
Hardware Compatibility	Lists the hardware platforms have been validated for use with RBFS software
Installation Guides	Help you plan your requirements and deployment of the RBFS and RBMS software images
RBFS Configuration Guides	Provide conceptual and procedural information on RBFS
RBMS Configuration Guides	Provide conceptual and procedural information on RBMS
API Reference Guides	Provide information that you can use when working with RBFS and RBMS application programming interfaces (APIs)
